

# Simple Steps to Building with Murry

Welcome to your journey with Murry Communities, where building your dream home is a seamless and exciting adventure.

## Reserve/Find a Location

Begin by finding your ideal spot, whether among our serene country estates or on your own land. Secure your future with a deposit or a vacant land agreement.

## Design/Pricing

Collaborate with Murry's experts to design a home that reflects your personal needs in terms of location, space, and style, all within a clear pricing structure.

## Financing

Advance confidently with pre-approval, as the Murry Team connects you with seasoned professionals specializing in home building financing.

## Selections

Engage in the creative process, selecting features and walking the site, while receiving regular updates and walkthroughs from your builder.

## Construction Plan Review

Review your construction plans in detail, ensuring that every aspect of your home's design and functionality aligns with your vision.

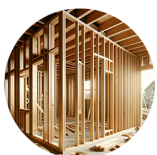

## It's Official

Formalize your commitment with the signing of the Agreement of Sale and deposit, stepping into the reality of homeownership with our full support.

## Site Stake Out Meeting

Attend the Site Stake Out Meeting to visualize your home's layout and design, bringing your dream one step closer to reality.

## Electrical Frame Walk-Through

Customize your home's electrical features in the Electrical Frame Walk-Through, shaping its functionality to suit your lifestyle.

### Finishes Walk-Through

Watch your choices come to life during the Finishes Walk-Through, confirming that every detail matches your expectations.

### New Home Orientation

Get a comprehensive introduction to your new home during the New Home Orientation, ensuring everything is in perfect order.

### Closing

Complete your journey at the Closing, where the keys to your new Murry Community home are proudly handed over to you.
